

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF HENRY COUNTY)	
WATER DISTRICT NO. 2 FOR APPROVAL)	CASE NO. 10197
TO DEVIATE FROM CERTAIN COMMISSION)	
REGULATIONS)	

O R D E R

By letter received March 14, 1988, Henry County Water District No. 2 ("Henry County No. 2") requested a deviation from 807 KAR 5:066, Section 10(3), Section 9(2) and Section 12(2b). Said request proposed that Henry County No. 2 be relieved of the requirement to provide hydrants or valves for the purpose of flushing the dead ends in the mains, relieved of inspecting the customers service lines and to institute an extension of service procedure other than that contained in the Commission's regulations.

Additional information is needed for an adequate and proper consideration of the deviation requested by Henry County No. 2.

IT IS THEREFORE ORDERED that Henry County No. 2 shall file an original and three copies of the following information with the Commission with a copy to all parties of record no later than April 18, 1988.

1. Provide a map of Henry County No. 2's distribution system that shows the location and size of all distribution mains,

storage tanks, pumping stations and any other significant features of the system. One inch on this map should not represent more than one mile on the ground.

2. Describe the number, length and size of the dead end pipelines in Henry County No. 2's system.

3. Describe the procedure used in flushing the dead ends; include information about the time schedule and the method of operation of the flushing.

4. Describe Henry County No. 2's treatment plant for each source of water supply including pumping capacity and pressure.

5. Describe the procedure used by Henry County No. 2 in the inspection of new or repaired service lines.

6. Describe the procedure used by Henry County No. 2 in the extension of service line to customers in excess of 50 feet.

7. Considering Henry County No. 2's procedure in extending the main line, provide the following information.

a. Number of customers who paid 50 percent of the cost on extending the main line.

b. The amount paid for extending the main line.

c. The length and the cost of the extension of the main line.

d. The number of customers who were serviced at no cost after installing the extension of the main line.

If the above listed items of information cannot be provided by April 18, 1988, Henry County No. 2 should submit a motion for an extension of time stating the reason a delay is necessary and include a date by which it will be furnished. Such motion will be

considered by the Commission. Henry County No. 2 shall furnish with each response the name of the witness who will be available for responding to questions concerning each item of information requested should a public hearing be required in this matter.

Done at Frankfort, Kentucky, this 23rd day of March, 1988.
